## **REPORT ON TEEJ CELEBRATION**

St. Lawrence College of Higher Education, Delhi, affiliated to GGSIPU, organised a vibrant CCA and NSS Activity – “Talent Hunt: Teej” for the First Year B.Ed. students on 7 August 2026 at the college campus. The programme was organised under the theme “Celebrate Tradition, Showcase Talent, Embrace Culture” with the objective of promoting cultural awareness, creativity, talent, and community participation among students. The CCA component focused on providing students with a platform to showcase their talents through various cultural performances and activities, while the NSS component emphasised the values of community participation, sharing, cooperation, and social responsibility.

The programme commenced with a welcome address and the Principal’s speech, wherein the importance of celebrating Indian traditions and preserving cultural heritage was highlighted. The Principal encouraged students to participate actively in co-curricular activities and use such platforms for developing confidence, creativity, teamwork, and leadership qualities. Despite the rainy weather, the students participated with great enthusiasm and maintained the festive spirit throughout the programme. The cultural segment began with an energetic group dance performance by the students, beautifully portraying the festive spirit of Teej. This was followed by solo singing performances, including folk and Teej songs, which added a traditional touch to the celebration. Students also presented solo dance performances, showcasing their creativity, confidence, rhythm, and individual talent. A student speech on Teej was delivered, highlighting the cultural significance of the festival, its traditional practices, and its role in bringing people together. These performances provided students with an enriching opportunity to express themselves and appreciate India's diverse cultural heritage.

As part of the CCA activity, a creative Mehendi Art activity was also organised. Students enthusiastically participated and displayed beautiful traditional mehndi designs, reflecting their artistic skills and creativity. The activity added colour and vibrancy to the celebration while helping students connect with a traditional art form associated with Teej. Such activities also encouraged students to explore their talents beyond academics and develop confidence through active participation.

The NSS component of the programme was reflected through the organisation of a Community Lunch, where students and faculty members came together to share food and spend meaningful time with one another. The activity promoted the NSS values of community participation, sharing, cooperation, inclusiveness, and social responsibility. It created a warm atmosphere of togetherness and strengthened interpersonal bonds among students and faculty members. The community lunch also conveyed the message that festivals and celebrations become more meaningful when they are shared collectively. Overall, the celebration was a joyful, engaging, and meaningful celebration. Despite the rain, the enthusiasm and active participation of the students

made the programme successful and memorable. The activity effectively integrated cultural celebration with talent development and community engagement, providing students with opportunities to showcase their abilities, appreciate Indian traditions, develop teamwork and confidence, and experience the spirit of togetherness. The event concluded on a positive note, leaving students with memorable experiences of culture, creativity, talent, sharing, and community spirit.
